A large screen displays a virtual golf course scene. The screen is divided into several sections. At the top, there are navigation buttons for 'HISTORY', 'SEARCH', 'OPTIONS', and 'LOAD GOLF'. Below these, a large green box displays '256 YARDS'. To the right of this box is a 'REPLAY' button and a small icon of a golfer. The main part of the screen shows a virtual golf course with a green fairway, a red flag on the green, and a blue sky with clouds. At the bottom of the screen, there is a data panel with various statistics.
